

article P140 applique/ wall light

SQUARE come suggerisce il nome è una luce da incasso inserita in una cornice quadrata. Prodotto artigianalmente con la selezione delle nostre argille refrattarie, SQUARE è ideale per creare accenti architettonici per percorsi, sia esterni che interni. È alimentato con una selezione di opzioni LED per aiutare a produrre l'effetto luminoso desiderato.

SQUARE as the name suggests is a recessed light embedded in a square frame of refractory clay. The choice of the different materials makes SQUARE ideal for creating architectural accents for pathways, both outdoors and indoors. It is powered with a selection of LED options to help produce the desired lighting effect.
