

article P150 applique/ wall light

OVAl come dice il nome è una luce da incasso la cui forma si basa sull'interazione di due linee ovali con angoli diversi. Utilizzando i nostri materiali refrattari con la nostra procedura di pressatura a mano, OVAl è ideale per creare accenti architettonici per percorsi, sia all'aperto che negli interni. È fornito con una selezione di opzioni a LED.

OVAl as the name suggests is a recessed lamp whose shape is based on the interaction of two oval lines with different angles. Using our refractory materials with our hand pressing procedure, OVAl is ideal for creating exterior architectural accents for pathways, both outdoors and indoors. It is powered with a selection of LED options.

specifiche tecniche/ Technical data

● *tipologia/ type*

parete/ wall

● *ambiente/ environment*

outdoor

● *Certificazione/ certification*
